Sub : REVIEW OF RESULT OF FAILED SC/ST CANDIDATES IN LICE
ACCORDING TO REVISED GUIDELINES.

Res Sir,

A committee was constituted under the advice of parliamentary committee on SC/ST welfare for review of results of failed SC/ST candidate in Limited Internal Competitive examinations. Committee has given several recommendations with regard to review of results of failed SC/ST candidates by prescribing minimum percentage of marks for SC/ST candidates. Modifications recommended by committee will be applicable retrospectively to all examinations for which notifications were issued after 02.12.2014.

According to modified policy the recommended percentage for passing is 20% in each section in the LICE held for promotion to the grade of TTA under 40% quota.. As such we request to review the result of the said exam held on 7.6.2015 according to modified instructions contained in corporate office letter no. 250-22/2013- ESTT-III dated 28.7.2016.

An immediate action is requested to benefit some more failed SC/ST candidates.

With kind regards,

Yours Fraternally,

Sd/-
