Sub : Review of result of failed SC/ ST candidates in LICE according to revised guide lines.

Res Sir,

Kindly refer our letter of even No dated 16.09.2016 wherein following request was made.

A committee was constituted under the advice of parliamentary committee on SC/ST welfare for review of results of failed SC/ST candidate in Limited Internal Competitive examinations. Committee has given several recommendations with regard to review of results of failed SC/ST candidates by prescribing minimum percentage of marks for SC/ST candidates. Modifications recommended by committee will be applicable retrospectively to all examinations for which notifications were issued after 02.12.2014.

According to modified policy the recommended percentage for passing is 20% in each section in the LICE held for promotion to the grade of TTA under 40% quota.. As such we request to review the result of the said exam held on 7.6.2015 according to modified instructions contained in corporate office letter no. 250-22/2013- ESTT-III dated 28.7.2016.

The above matter was also discussed in detail with you in the meeting dated 10.10.2016. The delegation of Union was assured that the matter would be looked into personally to resolve the same at an early date but to no avail and the future of aspiring candidates is swinging between Circle Office BPL & Corporate office for want of some clarification which was not needed at all.

To avoid resentment amongst the aspirants, an immediate action is requested to benefit some more failed SC/ST candidates.

With kind regards,

Yours Fraternally,

(Prakash Sharma)
Circle Secretary
