The Chief General Manager Telecom
BSNL, M P Circle, Bhopal.

Sub : An Early Settlement of Pension cases pending for revision.

Res Sir,

As you are aware, orders for revision of pension of BSNL Pensioners/ Family Pensioners, who retired prior to 10.06.2013 by allowing benefit of merger of 50% DA/ DR with basic pay/pension effectively amounting to 78.2% DA/DR for the fitment purpose have been issued by Corporate Office long back. This was to be implemented by the end of 2016.

You were requested to expedite the cases vide our letter of even no. dated 23.01.2017 due to abnormal delay in sending the cases to CCA by many SSAs despite issue of continuous reminders from Circle Office. Some SSAs completed the cases expeditiously and got back the same from CCA. BSNLEU hails their action and do appreciate their sincerity. But a good no. of SSAs are not paying attention to Circle Orders. They should be **strictly warned again** to send all the cases in r/o retired officials prior to 01.01.2007 & retired between 01.01.2007 & 09.06.2013.

In our meeting held on 25.01.2017, you had assured that you would treat this matter as personal mission. As such, We do hope, it will not be delayed further & an early action will be taken to bring down the pendency to almost ZERO.

With kind regards,

Yours Fraternally,

(Prakash Sharma)
Circle Secretary
